*Synthesis of Research / Alternative Schools: The State of the Art*. 1994. 52, 1, 26-31. Raywid, M.A. Educational Leadership. Retrieved 6/23/2017 from <http://www.ascd.org/publications/educational-leadership/sept94/vol52/num01/Synthesis-of-Research~Alternative-Schools@-The-State-of-the-Art.aspx>

Raywid's article offers a typology for alternative schools and programs, as well as the advantages and disadvantages of each. This article is adapted from a collection of papers published in *Making a Difference for Students At Risk*, by Corwin Press. This article is a solid introduction to Raywid's work, which is considered seminal in research on alternative schools/education.
